This Policy reflects the terms and conditions of the contract of insurance as agreed between the Insured and the Company.

WHEREAS THE INSURED named in the Schedule hereto has made to the Insurers a written proposal by completing a questionnaire which, together with any other statements made in writing by the Insured for the purpose of this Policy, is deemed to be incorporated herein,

GENERAL CONDITIONS

1. The due observance and fulfilment of the terms of this Policy, insofar as they relate to anything to be done or complied with by the Insured, and the truth of the statements and answers in the questionnaire, proposal and monthly declarations made by the Insured shall be a condition precedent to any liability of the Insurers.
2. Any word or expression to which a specific meaning has been attached in any part of this Policy, of the Schedule or of the questionnaire and proposal shall bear such meaning wherever it may appear.
3. The Insured shall at his own expense take all reasonable precautions and comply with all reasonable recommendations of the Insurers to prevent loss or damage and comply with statutory requirements and manufacturers' recommendations.

Upon notification being given to the Insurers under this condition, the Insured may carry out repairs or make good any minor damage; in all other cases a representative of the Insurers shall have the opportunity of inspecting the loss or damage before any repairs or alterations are effected. If a representative of the Insurers does not carry out the inspection within a period of time which could be considered adequate under the circumstances, the Insured shall be entitled to proceed with the repairs or replacement.
6. The Insured shall at the expense of the Insurers do and concur in doing and permit to be done all such acts and things as may be necessary or required by the Insurers in the interest of any rights or remedies, or of obtaining relief or indemnity from parties (other than those insured under this Policy) to which the Insurers are or would become entitled or which is or would be subrogated to them upon their paying for or making good any loss or damage under this Policy, whether such acts and things are or become necessary or required before or after the Insured's indemnification by the Insurers.

Without obtaining the Insured's approval, the beneficiary shall further have the right to receive any indemnity paid under this Policy and to transfer the Insured's rights even if the beneficiary is not in possession of this Policy. Upon payment of indemnity the Insurers may require evidence of the beneficiary having given his consent to the insurance and of the Insured having given his consent to the receipt of an indemnity by the beneficiary.
12. The indemnity shall be payable one month after determination by the Insurers of the full amount due. Notwithstanding the above, the Insured may, one month after the Insurers have been duly notified of the loss and have acknowledged their liability, claim as an instalment the minimum amount payable under the prevailing circumstances. The running of the periods shall be suspended for the time during which the indemnity is unascertainable or not payable due to reasons within the Insured's control.

The Insurers shall be entitled to withhold indemnification

- a) if there are doubts regarding the Insured's right to receive the indemnity, pending receipt by the Insurers of the necessary proof;

SPECIAL CONDITIONS

This Policy shall only apply if

- 1. the refrigeration machinery specified in the list of machinery attached to the questionnaire and proposal of this Policy is insured under a machinery breakdown policy in force;
- 2. the insured refrigeration machinery specified in the aforesaid list of machinery is under constant supervision by qualified personnel or is connected to an automatic alarm system in a constantly attended location;
- 3. the stock is not stored in "controlled atmosphere" chambers;
- 4. at the time of the loss or damage the goods are stored in the refrigerating chambers;

- 6. during the entire period of storage the Insured records in a log-book the condition of the insured goods and at least three temperature readings per day from each refrigerating chamber, the accuracy of the temperature readings being checked by means of a calibrated, independent reference thermometer at least every 14 days.

PROVISIONS

Memo 1 – Sum Insured

It shall be a requirement of this Policy that the sum insured is equal to the estimated maximum selling price obtainable for the stored goods during the period of this Policy, such maximum selling price being indicated in the Schedule submitted by the insured prior to the commencement of insurance. The Insured shall be obliged to furnish the Insurers not later than 10 days after the close of each month either with copies of the aforesaid stockbook or with a duly completed declaration showing the average quantity and value per day of the goods store during the preceding month (monthly declaration).

The monthly declaration shall be based on the selling price obtainable for the goods.

Stockbook copies and monthly declarations shall be regarded as forming an integral part of this Policy.

If after the occurrence of a loss it is found that the last monthly declaration previous to the loss is less than the amount that ought to have been declared, then the amount which would have been recoverable by the Insured shall be reduced in such proportion as the amount of the said last monthly declaration bears to the amount that ought to have been declared.

The sum insured shall be reduced by any indemnity paid under this Policy for the remaining policy period unless it has been reinstated by payment of an additional premium on a pro-rata basis. This additional premium shall not be taken into account in the final adjustment of premium as provided for in Memo 2.

Memo 2 – Premium

The first premium shall be due on receipt of this Policy, and all renewal premiums at the commencement of each new period of insurance. Taxes, fees and any other charges shown in this Policy or in the premium bill shall be paid with the premium.

The premium payable at the commencement of any one year of insurance shall be a deposit premium based on 75% of the sum insured as specified in the Schedule and shall be subject to adjustment at the end of each year of insurance in accordance with the stockbook copies or the monthly declarations submitted to the Insurers.

Should it be found on the basis of such information that at the end of any year of insurance the deposit premium paid was too high, premium adjustment shall be made subject to the total premium payable by the Insured being not less than 50% of the full premium based on the sum insured stated in the Schedule. Failure on the part of the Insured to submit stockbook copies or monthly declaration shall entitle the Insurers to apply the maximum sum insured as fixed in the Schedule for premium calculation. Any difference in premium so determined, whether due to or by the insured, shall be settled within one month of the dispatch of the statement showing the premium adjustment.

Memo 3 – Basis of Indemnity

All claims shall be settled on the basis of the value stated in the monthly declaration immediately prior to the occurrence of the loss or the selling price which would have been obtainable, whichever is the lower. When determining the indemnity the Insurers shall take into consideration all circumstances which may influence the amount of indemnity, such as proceeds from a sale of the goods as well as storage costs saved due to the termination of the storage.
