The Insured shall undertake to increase or decrease the amounts of insurance in the event of any material fluctuation in wages or prices, provided always that such increase or decrease takes effect only after the same has been recorded in this Policy by the Insurers.

If in the event of loss or damage, it is found that the sums insured are less than the amounts required to be insured, then the amount recoverable by the Insured under this Policy shall be reduced in such proportion as the sums insured bear to the amounts required to be insured. All damage which can be repaired shall be repaired, but if the cost of repairing any damage equals or exceeds the value of the items immediately before the occurrence of the damage, the settlement shall be made on the basis provided for in b) above.

The Insurers shall also reimburse the Insured for the cost of clearance of debris following upon any event giving rise to a claim under this Policy in accordance with Memo 3, provided a separate sum therefor has been entered in the Schedule.

The cost of any alterations, additions and/or improvements shall not be recoverable under this Policy.

Memo 3 - Extension of Cover

In consideration of the Insured having paid the additional premium agreed upon with the Insurers, indemnification for loss or damage otherwise covered under this Policy shall be extended to include the cost of clearance of debris forming part of the insured items including the cost of removal or demolition of any portion of the insured items no longer useful for the purpose for which it was intended, but only if a valid law or ordinance requires the Insured to effect such removal or demolition and only up to an amount not exceeding in any one event the limit of indemnity specified therefor in the Schedule.
