For Non-Consumer Insurance Contracts (Insurance for purposes related to the Insured's trade, business or profession)

This Policy is issued in consideration of the payment of premium as specified in the Policy Schedule and pursuant to the answers given in the Insured's Proposal Form (or when the Insured applied for this insurance) and any other disclosures made by the Insured between the time of submission of the Insured's Proposal Form (or when the Insured applied for this insurance) and the time this contract is entered into. The answers and any other disclosures given by the Insured shall form part of this contract of insurance between the Insured and **Berjaya Sompo Insurance Berhad** (hereinafter called "the Company"). In the event of any pre-contractual misrepresentation made in relation to the Insured's answers or in any disclosures made by the Insured, it may result in avoidance of the Insured's contract of insurance, refusal or reduction of the Insured's claim(s), change of terms or termination of the Insured's contract of insurance.

This Policy reflects the terms and conditions of the contract of insurance as agreed between the Insured and the Company.

WHEREAS THE INSURED named in the Schedule hereto has made to the Insurers a written proposal by completing a Questionnaire which together with any other statements made in writing by the Insured for the purpose of this Policy is deemed to be incorporated herein,

NOW THIS POLICY OF INSURANCE WITNESSES that subject to the Insured having paid to the Insurers the premium mentioned in the Schedule and subject to the terms, exclusions, provisions and conditions contained herein or endorsed hereon the Insurers will indemnify the Insured in the manner and to the extent hereinafter provided.

GENERAL EXCLUSIONS

The Insurers will not indemnify the Insured in respect of loss, damage or liability directly or indirectly caused by or arising out of or aggravated by

- a) war, invasion, act of foreign enemy, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, mutiny, riot, strike, lock-out, civil commotion, military or usurped power, a group of malicious persons or persons acting on behalf of or in connection with any political organization, conspiracy, confiscation, commandeering, requisition or destruction or damage by order of any government de jure or de facto or by any public authority;
- b) nuclear reaction, nuclear radiation or radioactive contamination;
- c) wilful act or wilful negligence of the Insured or of his representatives;
- d) cessation of work whether total or partial.

In any action, suit or other proceeding where the Insurers allege that by reason of the provisions of Exclusion a) above any loss, destruction, damage or liability is not covered by this insurance the burden of proving that such loss, destruction, damage or liability is covered shall be upon the Insured.

PERIOD OF COVER

The liability of the Insurers shall commence notwithstanding any date to the contrary specified in the Schedule, directly upon commencement of work or after the unloading of the items entered in the Schedule at the site and shall continue until immediately after taking over or after the first test operation or test loading is completed whatever is the earlier, but not beyond four weeks (unless otherwise agreed in writing) from the date of commencement of the test. If, however, a part of a plant or one or several machine(s) is/are tested and/or put into operation or taken over, the cover for that particular part of the plant or machine(s) and any liability resulting therefrom ceases whereas the cover continues for the remaining parts.

In the case of second-hand items, the insurance hereunder shall, however, cease immediately on the commencement of the test.

At the latest the insurance shall expire on the date specified in the Schedule. Any extensions of the Period of Insurance are subject to the prior written consent of the Insurers.

GENERAL CONDITIONS

1. The due observance and fulfilment of the terms of this Policy in so far as they relate to anything to be done or complied with by the Insured and the truth of the statements and answers in the questionnaire and proposal made by the Insured shall be a condition precedent to any liability of the Insurers.
2. The Schedule and the Section(s) shall be deemed to be incorporated in and form part of this Policy and the expression "this Policy" wherever used in this contract shall be read as including the Schedule and the Section(s). Any word or expression to which a specific meaning has been attached in any part of this Policy or of the Schedule or of the Section(s) shall bear such meaning wherever it may appear.
3. The Insured shall at his own expense take all reasonable precautions and comply with all reasonable recommendations of the Insurers to prevent loss, damage or liability and comply with statutory requirements and manufacturers' recommendations.
4. a) Representatives of the Insurers shall at any reasonable time have the right to inspect and examine the risk and the Insured shall provide the representatives of the Insurers with all details and information necessary for the assessment of the risk.

- b) The Insured shall immediately notify the Insurers by telegram and in writing of any material change in the risk and cause at his own expense such additional precautions to be taken as circumstances may require, and the scope of cover and/or premium shall, if necessary, be adjusted accordingly.

No material alteration shall be made or admitted by the Insured whereby the risk is increased, unless the continuance of the insurance be confirmed in writing by the Insurers.

5. In the event of any occurrence which might give rise to a claim under this Policy, the Insured shall

- a) immediately notify the Insurers by telephone or telegram as well as in writing, giving an indication as to the nature and extent of loss or damage;
- b) take all steps within his power to minimize the extent of the loss or damage;
- c) preserve the parts affected and make them available for inspection by a representative or surveyor of the Insurers;
- d) furnish all such information and documentary evidence as the Insurers may require;

Upon notification being given to the Insurers under this condition, the Insured may carry out the repairs or replacement of any minor damage; in all other cases a representative of the Insurers shall have the opportunity of inspecting the loss or damage before any repairs or alterations are effected. If a representative of the Insurers does not carry out the inspection within a period of time which could be considered adequate under the circumstances the Insured is entitled to proceed with the repairs or replacement.

The liability of the Insurers under this Policy in respect of any item sustaining damage shall cease if said item is not repaired properly without delay.

- 6. The Insured shall at the expense of the Insurers do and concur in doing and permit to be done all such acts and things as may be necessary or required by the Insurers in the interest of any rights or remedies, or of obtaining relief or indemnity from parties (other than those insured under this Policy) to which the Insurers shall be or would become entitled or subrogated upon their paying for or making good any loss or damage under this Policy, whether such acts and things are or become necessary or required before or after the Insured's indemnification by the Insurers.
- 7. If any difference arises as to the amount to be paid under this Policy (liability being otherwise admitted) such difference shall be referred to the decision of an arbitrator to be appointed in writing by the parties in difference or if they cannot agree upon a single arbitrator to the decision of two arbitrators, one to be appointed in writing by each of the parties within one calendar month after having been required in writing so to do by either of the parties, or, in case the arbitrators do not agree, of an umpire to be appointed in writing by the arbitrators before entering upon the reference. The umpire shall sit with the arbitrators and preside at their meetings. The making of an award shall be a condition precedent to any right of action against the Insurers.
- 8. If a claim is in any respect fraudulent, or if any false declaration is made or used in support thereof, or if any fraudulent means or devices are used by the Insured or anyone acting on his behalf to obtain any benefit under this Policy, or if a claim is made and rejected and no action or suit is commenced within three months after such rejection or, in the case of arbitration taking place as provided herein, within three months after the arbitrator or arbitrators or umpire have made their award, all benefit under this Policy shall be forfeited.
